

PROPOSAL FOR CHANGES IN YEE STATUTES IN 2016

The Czech Republic has approved new legislation for NGOs. YEE will need to be registered in the new system for NGOs in the Czech Republic. YEE Secretariat consulted a lawyer and he recommended adding an additional point in YEE Statutes in order to register YEE successfully in the new system.

The lawyer suggested to add the following point under the Article 6, The Executive Board, 6.2 Responsibilities:

“6.2.3 The Executive Board is the governing body of the Federation. The Federation is externally represented in all matters by the Chairperson or Vice Chairperson of the Executive Board”

According to the lawyer, the Statutes didn't reflect clearly who was the governing body of the Federation and this could affect in the registration of YEE.

We would like to request the General Assembly to approve this change in order to facilitate the registration of YEE in the new system.

More information about the new legislation can be found here (in Czech language):
