
REPORT – REVIEW OF MEMBERSHIP 2017

Dear YEE Member Organisations,

YEE aims to be a network made up of active and cooperative youth environmental organisations. Therefore, we need to consider which **YEE Member Organisations might have to be reviewed** at YEE Annual Meeting 2017 (14-16 July in Helsinki, Finland).

According to the Statutes and Rules of Procedure the demand for dismissal or review of membership must be introduced to the Annual Meeting by the Executive Board. The demand shall be circulated to all member organisations at least 45 days prior to the Annual Meeting. According to YEE Rules of Procedure those Member Organisations that cannot be represented at the Annual Meeting can make objections to any demand for dismissal or review of membership in writing to the Member Organisations Officer to memberorganisations@yeenet.eu. The Member Organisations Officer shall communicate any such objection at the Annual Meeting before the voting on dismissal or review of membership takes place.

In this letter we are providing you with a list of YEE Member Organisations whose membership rights should be reviewed in 2017, together with a brief explanation of the situation.

An email or phone call asking for explanation of the inactivity of the reviewed organisations was sent. The results of the communication with this organisations can be found below.

Review of membership:

- **Natuur 2000 (Belgium):** Did not pay its membership fee for the last 2 years and did not attend the YEE Annual Meeting for over 5 years. Natuur 2000 explained that they are currently facing some financial difficulties that make it hard for them to take part in Annual Meetings and pay membership fees. They value their membership in YEE, follow news and communication from the network and have contributed in the last years with articles to YEE e-newsletter. Therefore, they would like to continue the cooperation with YEE which lasts for over 30 years and get more involved when their financial situation will improve.
- **Jeunes et Nature (Belgium):** Did not pay its membership fee for the last 2 years and did not attend the YEE Annual Meeting for over 5 years. They were contacted by YEE Secretariat and Board by email. They replied but did not send clarifications about their situation and involvement in the network.
- **Libertas International (Spain):** Did not pay its membership fee for the last 2 years and did not attend the YEE Annual Meeting for the last 4 years. YEE Secretariat and Board have used all possible means of contacting them but they could not reach them.

The General Assembly shall decide how to proceed with them during Annual Meeting 2017.

Sincerely,

YEE Executive Board & Secretariat
